Gary Mack identified the Hollywood outfit White has tried to interest in a documentary is MATSU.

Jim Lesar says that the White explanation of the Tippit killing comes from Morrow's Betrayal, at about page 167. I can't locate my copy of that fiction.

Saul as an assassin in the Records building comes from Hugh McDonald's fiction misrepresented as non-fiction. There was no "Saul."

White's claim that the assassins were to escape from Red Bird airport comes from one book only, a footnote in Popkin's The Second Oswald.

Whites both claimed not to have read any of the books, on Inside Story.

White was on the Larry King TV show 8/29/90. Asked by a caller-in, I'm told, how he could speak this way about his own father White responded that the truth had to come out.

Jerry McKnight says White also was on CNN.

I found Betrayal. Lesar is wrong on Tippit but White could have gotten shooting from the Courts building from it. Penn Jones also alleged that
